How long has it

EXCLUSIVELY from Perkins!

It is impossible to duplicate the texture, look, and above all the delicious taste of an old fashioned New York boiled bagel.

Mill Pride bagels will give you a strong edge over the competition, because we use only all natural, high quality ingredients, along with a lengthy retarding time. Our bagels are seeded on both sides and our fruit bagels contain 17% fruit.

You can now offer gourmet New York boiled bagels in minutes - directly from freezer to oven, or simply defrost and serve. Create custom sandwiches in a wide variety of flavors!
