

Warewash & Laundry

Providing your operation with a worry free sanitation and service program.

Warewash & Laundry- More Confidence, more convenience

For our customers, our preventative maintenance service helps keep their operations running smoothly and efficiently. However, when problems do occur we are there for you 24 hours 365 days a week for your service needs. Our trucks will deliver your warewash or laundry products along with the other items Perkins can supply from food, packaging, small wares, paper and bakery.

More smart solutions, more expertise

Our specialists take the worry out of washing whether it is ware wash or laundry. From service, training and cost reviews to the latest products and dispensing systems available on the market today. And, if you need assistance with your dish room we can help with choosing the right dish machine, including design, layout and installation

The Program

- Regular scheduled "in-person" service visits
- Completion of a paperless 100+ point service inspection report on every call
- Using the iMAP program and a tablet paperless reports are e-mailed directly to the customer
