44BRUTEK	44	36.5	48	Flat	Hexene	Black	XXHVY	1.4	100
55BRUTEN	55	40.5	54	Flat	Hexene	Clear	XXHVY	1.4	100
55BRUTEK	55	40.5	54	Flat	Hexene	Black	XXHVY	1.4	100

The SURE-FIT Advantage

- Perfect size which will result in a perfect tight fit
- Flat bottom seal means no leaks and ensures the perfect fit
- Hexene resin at 1.4 mil thick makes this bag the strongest in the industry
- Hexene resin is almost puncture resistant

Flat Seal - is a straight and constant seal across the bottom of the liner and does not compromise the length of the bag.
